Profile Published: Feb 2017

Date of Certification: 6th February 2018

Recertification Due: February 2019

Certification Body:

Accreditation Body:

This Certificate certifies that the organisation named was assessed as meeting the Cyber Essentials implementation profile published in April 2014 and thus that, at the time of testing, the organisation's ICT defences were assessed as satisfactory against commodity based cyber attack. However, this Certificate does not in any way guarantee that the organisation's defences will remain satisfactory against cyber attack.
